

WE ARE ON A MISSION

To provide Oil & Gas Service companies, E&P Operators and Energy Sector companies across the USA with

*easy access to qualified,
on demand contractors
and specialists*

ready to take on any and every job.

You need skilled workers for your project. Those workers need to have valid qualifications and experience, and you need them to be available and ready to work at a moment's notice. Skip the costly & time-consuming onboarding process and contact Mercenary so that you never miss a job.

Our contractors know what needs to be done, they know the dangers involved, and they know the importance of precision. When you hire with Mercenary, you're getting highly skilled and efficient contractors who know the job and are ready to complete it safely and correctly.

Mercenary contractors will carry personal insurance and be ATF background checked under Mercenaries ATF explosive license.

Mercenary can provide full crews or subsidize your existing staff by adding qualified experts to complete the team. Adjustable staffing means a lower headcount and increased profits. Everybody wins!

BOOK US for:

- Wireline - Unconventional & Conventional
- Coil Tubing
- Flowback & Production Testing
- Tool and Plug Specialists
- Service Focused General Labor
- And More...
